

# PAPER VS. DIGITAL

It seems as though one cannot escape a BYOD workplace or the abundance of enterprise adopted applications. Every aspect of business has been impacted by this transition, but the question still remains: has print been replaced by a digital medium?

## Paper Benefits

Easily locate files

Enablement for thorough editing

Paper cannot be edited by a third party

No ability to be hacked

## Digital Benefits

53%

easier to send than paper

47%

more efficient than paper

50%

more environmentally-conscious

\$

Half of the cost of paper
